

2017 PUBLIC PRICE LIST US\$
Effective January 1, 2017

The installation of the water softener is mandatory when the coffee machine is fed with water whose hardness rate is higher than 3 grains per gallon (50 parts per million).

When the pressure of the water line is superior to 6 bar, it is necessary to install a pressure reducer before the espresso machine.

This price list replaces the previous one, which is no longer valid.
